

Our Speaker

Derek Bates

Derek received his bachelor's degree from James Madison University and his master's from Covenant Theological Seminary. Derek is a gifted pastor and teacher and is currently ordained to pastor college students at University of Pittsburgh. He enjoys sports and literature, and has been mistaken for Dr. House in both appearance and personality.

Luda graduated from Saint Louis University and attained three degrees while studying in three different countries. She speaks multiple languages and may well be a spy.

Derek and Luda have two children: Caleb and Abiel Joy.

The Bates have been friends and mentors to Brandon and Rebecca for many years.
